KANAWHA COUNTY SCHOOLS MISSION STATEMENT

The mission of Kanawha County Schools is to provide a world-class education that ensures success for every student in the 21st Century.

GARNET CAREER CENTER MISSION STATEMENT

The mission of Garnet Career Center is to provide adult learners with 21st century educational opportunities necessary to attain their chosen professional and career goals.

VISION STATEMENT

We envision a school driven by and accountable to its vision, mission and goals. We see our school as a beacon for those adults seeking training, retraining, self-enrichment and competencies in basic skills. Toward this goal, we are committed to high-quality, student-centered programs that reflect state-of-the art technology and model national, state and local adult education standards. The school seeks input and incorporates recommendations from students, staff, employers, program advisory committees and members of the community thereby promoting a sense of ownership. The school will recognize the value of students and staff by providing opportunities for personal growth. All students shall meet or exceed state educational standards that reflect 21st century skills and learning.

We envision all adults as lifelong learners who require continuing education to contribute effectively in the community in which they live. We recognize that adult learners have diverse needs that can be met by developing their abilities in accordance with their chosen goals. The school, in conjunction with community agencies and business partners, will provide the means through which this development may be achieved. Our graduates will apply the basic skills of critical thinking, math, reading, and communication. They will be able to organize, plan and allocate resources to benefit themselves and others in their personal and professional lives. They will be able to interact positively as team members in a culturally diverse workplace and school environment, demonstrating integrity, leadership, and cooperation. They will be able to acquire evaluate, and process information in order to understand social, organizational and technological systems.

HISTORY

Garnet Career Center was established under the auspices of Kanawha County Schools to provide continuous educational opportunities for the adult community in 1971.

Garnet Career Center provides training in many different occupational areas—Healthcare: Practical Nursing, Phlebotomy, Certified Nursing Assistant Refresher; Business: Accounting, Administrative and Business Support; and Automotive Technology. A variety of short-term programs are offered during the day and evening hours. Classes range from enrichment classes to technology based classes. Students in need of upgrading basic skills or preparing for the Test Assessing Secondary Completion (TASC) may enroll in the Adult Basic Education program. English as a Second Language (ESL) services are also offered at Garnet.

Kanawha County Board of Education was the first school system to offer a one-year program for practical nursing. In 1974, Kanawha County School of Practical Nursing was changed to Garnet Career Center School of Practical Nursing.

Garnet has been accredited by the Council on Occupational Education (COE). The Practical Nursing Program is accredited by the West Virginia Board of Examiners for Licensed Practical Nurse.

FACILITIES

Garnet is a historic building in downtown Charleston. Garnet offers a variety of vocational training opportunities with modern equipment and excellent programs.

There is an elevator available for use. The handicap entrance to the building is located on the Dickinson Street side of the building. The entrance doors are equipped with automatic door openers. Any student requiring special assistance should contact the school for needed accommodations.

Limited student parking is available with paid parking fee. Available spots are filled on a first come-first serve basis. Once all Garnet spots are filled, students are responsible for obtaining their own parking spot.

Students may use the gym area to study, relax and have snacks or lunch. Microwaves are provided for the students' convenience.

Garnet is located in a historic area. The Clay Center and Farmers' Market are located only one or two blocks from the school.

LOCAL SCHOOL IMPROVEMENT COUNCIL/SCHOOL WIDE ADVISORY/ PROGRAM ADVISORY COUNCILS

The Local School Improvement Council/School Wide Advisory and Program Advisory Councils help Garnet Career Center maintain ongoing communications and service linkages with the state's business and industrial sector, community members, staff and students. Leaders from business and industry serve on various advisory councils to help give direction to program development and modernization. Through this mechanism relevance is enhanced and career training is directed toward the needs of the state's business and industrial community. Students are encouraged to serve on the Local School Improvement Council/School Wide Advisory (LSIC).

STATEMENT OF PURPOSE

Garnet Career Center strives to provide a variety of educational opportunities for the citizens of Kanawha County and surrounding counties.

1. To provide opportunity for high school equivalency preparation and/or upgrading of basic skills. Students who have not graduated from high school may take the Test Assessing Secondary Completion (TASC) test. Students with high school diplomas may enroll in the learning lab and upgrade their skills.
2. To provide educational opportunities at a nominal cost. Too often educational opportunities are so expensive that many people who could profit from such programs cannot afford them.
3. To offer programs at different entry points. The starting dates for the programs are staggered.
4. To provide full-time career and technical oriented programs of instruction. Our role is to prepare students for entry into the world of work with sufficient skills and knowledge to obtain and hold a job.
5. To provide adult part-time classes. The school offers a diverse range of courses in the evenings. They range from short-term classes on topics of general interest to more sophisticated upgrading and re-entry courses for business and industry.
6. To improve instruction. Personal and academic success of our students to a large extent depends upon the quality of instruction they receive. A strong guidance and counseling program also supports the instructional program and aids students in reaching their goals. Our responsibility and commitment extends to all courses at this institution, including community interest courses, short-term courses and up-grading/re-entry courses; as well as the full-time adult career and technical education programs.

7. To be flexible enough to meet the changing needs of the community. As a result of a rapidly changing society, performance demands, knowledge and job skills are ever changing. It is only through constant review, revision and modification the programs of this institution can stay up-to-date.

ADMISSION POLICY

Entrance requirements vary by program. All adults must present an original high school diploma, GED, or TASC (or a sealed transcript if the diploma, GED, or TASC report is not available). Other requirements may include pre-entrance testing, physical exams, driver's license, etc. Any student that falsifies or omits required information on required documents is subject to immediate termination. Garnet reserves the right to refuse admission to any applicant. Diploma, transcript, and/or GED/TASC report must be from a public or accredited private entity.

ADMISSIONS POLICY FOR FULL-TIME PROGRAM

All students applying for admission to the career and technical programs are required to complete and submit the following forms and credentials to the counselor:

1. Admission Application (Application Fees are non-refundable) and Program Application, if applicable.
2. High school transcript/proof of diploma, GED, or TASC transcript from an accredited school or agency approved by the West Virginia Department of Education. LPN students MUST provide Transcript.
3. Student must be 18 years old prior to start of program or prior to clinical rotations and or On-the-job training or automotive shop hands on training. (Driver's license or Photo ID showing proof of age) Automotive Technology requires a copy of student driver's license.
4. Copy of Medical insurance or sign Insurance Waiver
5. Meet additional requirements unique to specific program.

Applications for admission and program brochures are available in the school office. Exceptions to these policies are prohibited.

FULL-TIME/PART-TIME STUDENTS

There are two types of adult students enrolled in programs at Garnet: full-time and part-time students. Full-time students are those students who are scheduled to attend twenty four or more hours per week in a full-time program and are working toward a certificate in that program with the intention of completing all hours required for the certificate. A part-time student is one who has enrolled for less than sixteen (16) hours per week. Part-time students will receive a Garnet Certificate of completion and a transcript from the school showing the hours attended. Part-time students will be considered for state funded financial aid based upon a FAFSA application and twelve hours of attendance per week. Some departments may permit students who are not interested in taking the entire curriculum to enroll in departmental approved training modules(s).

ATTENDANCE POLICY

It is very difficult for students to make up work they have missed in a career and technical program. Good attendance is a key factor in a student's achievement. Good attendance is also a key factor in getting a job. Employers who call the school for references always ask first for the attendance record. They know that applicants who have good attendance in school will be dependable and responsible employees. 90% attendance is required to obtain financial aid disbursements.

ALLOWED ABSENCES

Adult students are expected to attend class every day. Unless a particular curricula requires a more stringent policy, such as nursing, a student must be present for at least 90% of their course hours in order to **maintain satisfactory attendance**.

A "day" is defined as the number of hours normally spent in class. If the class is normally in session for six hours, then six hours absent constitute a "day" absent. Any time a student is not in class, he/she is considered absent. This includes being tardy, returning late from lunch, or leaving before the end of the class period. Excuses are not necessary. The absence can be for any reason and the student is not required to give the school a reason.

Allowed absences are awarded upon enrollment. It is not necessary to "accumulate" them monthly. However, the 90% is an ongoing cumulative requirement.

Students in all programs must make up the work missed. The instructor will allow students one day for each day absent to complete make up work. For example, if a student has missed three days of class, he/she will have three days after returning to school to complete all make up assignments. It is the student's responsibility to ask the teacher for makeup assignments.

Accreditation or licensing standards require that students be in attendance for a certain number of hours. In these courses, students are required to make up the hours absent as well as the work missed.

Students who are not in attendance 90 percent of their course hours will automatically be put on probation. **Any additional time missed will subject the student to possible termination from the school. Financial aid cannot be disbursed if a student has attendance problems.**

EXCUSED ABSENCES

Excused Absences are not considered toward required attendance hours. The following instances may be excused at the discretion of the Department Chair, with the appropriate documentation (a written excuse is needed in these situations):

1. Student has been subpoenaed to appear in court-or has an appointment at DHHR or Veteran's Administration;
2. Required military duty

LEAVE OF ABSENCE

A "Leave of Absence" will be given for **ONLY** one semester or until the next scheduled enrollment date due to family care responsibilities or medical reasons only. Medical Leave of Absence includes illness of the student or the student's parents, children or spouse. A Personal Leave of Absence may also be requested. Requests for a "Leave of Absence" must be made in writing and approved by a school administrator and the department chairperson prior to the beginning of the leave. In the event of an emergency or extenuating circumstance, the school administrator should be notified as soon as possible. Student must be in good standing both in grades and attendance.

GRADING POLICY

Instructors will award points to class work assignments, quizzes, tests, and skill activities. Student grades will be based on points earned. The teacher will compute the percentage of student points earned compared to points possible. The following grading scale is used for the permanent record and for the purpose of reporting.

Note: Practical Nursing grading scale is different than the one below. (See Practical Nursing Handbook).

A = 90 - 100 Superior performance	Earns Credit
B = 80 – 89.9 Above average	Earns Credit
C = 70 – 79.9 *Average performance	Earns Credit
D= 60 – 69.9 Below average performance	No Credit
F= 59.9 and below Unsatisfactory performance	No Credit
I=Incomplete, the student has not completed the course requirements.	No Credit
WP=Withdraw Passing	No Credit
WF=Withdraw Failing	No Credit
AU=Audit, attendance mandatory	No Credit
PROF=Proficiency, student took a proficiency exam and scored 88% for credit for course work.	

A student who desires to attend class(es) regularly, but does not wish to receive grade(s) may audit a class(es). A record will be kept of attendance. Credit cannot be established at a later date. A student who is to audit a class must make their decision known to the instructor(s) the first week of classes. A student enrolled in a course for credit cannot change to audit after the first week of classes. The participation of audit students in class discussion or in tests and examinations is optional with the instructor. Audit students are expected to attend classes regularly and pay all tuition and fees for each course or courses in which they enroll. A grade of AU will be given. * **"C" grade carries no credit in the Practical Nursing program. (See Practical Nursing Program Handbook)**

TUITION AND FEES

Tuition for full-time adult preparatory programs are listed below. The Tuition does not include fees for parking, background check, lab work, physicals, and CPR training where applicable.

The cost for full-time students is listed on the school's annual cost sheet. (See pg. 36) Thirty clock hours per week is considered full time. Veterans enrolled in the Learning Lab will be considered full time at twenty-five hours per week. Business Education students taking four or more classes per day are considered full time.

PAYMENT PLANS

Total tuition, fees and other identified charges for both full-time and part-time students are payable upon the student's enrollment and acceptance for a program. The student may make arrangements for an extended payment plan or for payment through financial aid sources. PN students pay additional fees as required.)

The student who does not qualify for financial aid, or who only receives partial aid, are expected to pay their program costs in full on or before the first day of class. Alternatively, they may make arrangements for an extended payment plan. The payment plan will require a deposit of books, 1/2 lab fee, 1/2 tuition, uniforms, application and registration fee. The remaining balance will then be scheduled monthly. ***Deposit must be paid on or before the first day of class.***

Scheduled payments are due on or before the first day of class, and the remaining scheduled payments are due by the first Friday of each month. A grace period of five school days will be allowed. After the grace period has expired, students will not be permitted to attend class until payment is made. Students will be considered absent. Students will receive a payment reminder notice the last week of each month.

Students entering a payment plan must have paid all financial obligations by the time three-fourths of their scheduled instructional days as determined by their schedule starting and graduation dates are completed.

Unexpected school closures, approved leaves of absence, and approved schedule changes will result in an adjusted graduation date. **Certifications and/or transcripts will not be awarded or provided until such time as all financial obligations are paid in full.**

FINANCIAL AID

Garnet Career Center is eligible to participate in financial aid programs. Students or prospective students who need financial assistance may apply for aid upon qualification through the following programs:

Federal Pell Grant Program, Work Force Opportunity Investment Act (WIOA), WV HEAPS and WV HEAPS Workforce Funds or Veterans Affairs (VA) and various other programs through DHHR, VRS, Unemployment, and Workers Compensation. Garnet Career Center does not participate in Federal Student Loan programs.

Detailed information concerning Federal Title IV assistance (Federal Pell Grant) may be found in the Federal Student guide. Additional copies and/or information may be obtained from the school financial aid office. Students should complete the FAFSA at www.FAFSA.ed.gov and list Garnet as a school choice. (015675)

Prospective students interested in Work Force Investment Act funding must be certified as eligible by the State Department of Employment Security and must complete a FAFSA; information pertaining to specific eligibility criteria may be obtained from Employment Security at 112 California Avenue, Charleston, WV or the student's local unemployment office. Eligible students are selected by Employment Security on a first come, first serve basis until funds are exhausted.

Students remain eligible for their financial assistance programs so long as there is no change in their student status which would nullify their eligibility, and so long as they maintain satisfactory academic progress.

Our Financial Aid Office will provide guidance and assistance in preparing and processing financial aid applications. For additional information and assistance call 304-348-6195.

Garnet Career Center has estimated indirect living costs for students as \$9,000 living alone and \$6,500 if still living at home with parents. These indirect living costs were obtained through the data used to qualify students for financial aid.

Garnet Career Center Scholarships: Inquire upon enrollment for eligibility.

Kanawha County Schools Employee/Employee Dependent Scholarship:

Scholarship for ½ tuition per enrollment period, for KCS employees or their direct dependents. Dependents must be claimed on KCS employee's federal taxes for prior year, or employee must show custody and/or child support payments.

GED/TASC Scholarships:

Awarded to qualified applicants upon completion of application for tuition only once per program year. Effective July 1, 2019, 4 awards of 25% of tuition up to \$500 maximum.

FINANCIAL AID DISBURSEMENTS

Disbursements of Federal Pell Grant funds are made by payment periods. A payment period is a block of attendance hours, usually defined as 450 hours or, for courses of less than 900 hours, ½ the course length. Tuition, fees, and other charges for the course are charged against the student's disbursement(s), with any remaining funds distributed to the student in whole or in part within 14 days of the disbursement. Students may have their financial aid refunds budgeted for them; Garnet encourages this practice.

Financial Aid programs at Garnet are "Need Based Grant Programs", and are awarded to students on a first come, first serve basis, according to Federal mandate procedures. Some students may be requested to provide

verifying documentation to support their request for aid. Such students will be notified, in writing, by the Financial Aid Office, and aid will not be disbursed until the requested documents have been delivered to the Financial Aid office.

Students receiving Federal Pell Grant AND WV HEAPS/Workforce Development Grant should be aware that special regulations apply to the amount of aid earned by a student through their attendance. The Return of Funds formula may require the return of unearned Pell Grant and HEAPS Workforce Development Grant resulting in a balance due to the school.

** If a student FORMALLY withdraws from class within 2 weeks of the student's initial start date, the student may submit a REQUEST to return unopened, shrink-wrapped text books that were purchased from the school; the cost of any books ACCEPTED for return through this process will be deducted from the student's book charges during the Refund/Cancellation process.*

3. Tuition and lab fees will be reimbursed as follows: Prior to classes beginning 100%; Up to the second scheduled class 50%; No refunds thereafter.

GARNET CAREER CENTER
RETURN OF FEDERAL FUND POLICY CONSIDERATIONS
(FEDERAL PELL GRANT/WV HEAPS/WFD)
October 2014

Garnet Career Center participates ONLY in the Federal Pell Grant Program; in accordance with the Title IV Return of Federal Funds regulations, Federal Pell Grant recipients should be aware that their Federal Pell Grant disbursements must be earned through the 60% point in each payment period (i.e., 270 hours of a 450 hour payment period.) WV Higher Education Policy Commission has decreed that this same formula shall apply to the WV HEAPS/Workforce Development program. A student's withdrawal or termination from school prior to completion of 60% of their payment period will result in the application of a pro rata schedule to determine the amount of Federal Pell Grant and WV HEAPS/WFD the student has earned at the time of withdrawal. After the 60% point in the payment period, the student has earned 100% of the Federal Pell Grant and WV HEAPS/WFD disbursement. This is a separate calculation from the Garnet institutional refund policy.

The percentage of hours completed in the payment period is calculated by dividing the number of scheduled hours through the student's last date of attendance by the hours in the payment period. After 60% of the payment period is completed (270 hours of a 450 hour payment period), there is no return of Title IV (Federal Pell Grant) or WV HEAPS/WFD funds. Prior to completion of 60% of the payment period, the amount of Federal Pell Grant and WV HEAPS/WFD earned is calculated by multiplying the total amount of aid that could have been awarded for the payment period by the percentage of time completed. The amount to be returned to the U.S. Department of Education is determined by taking the amount of Federal Pell Grant earned and subtracting it from the amount of Federal Pell Grant disbursed. This same formula is applied to WV HEAPS/WFD funds. The institution's share of the amount to be returned is calculated by multiplying the institutional charges (registration, application, entrance test, lab fees and tuition) by the percentage of time not enrolled. The student's share is calculated by subtracting the amount the school must return from the total amount to be returned. The amount of the student's share in excess of 50% of the disbursed amount must be repaid to the school within 45 days of notification of the repayment date, or the student's account will be turned over to the U.S. Department of Education for collection, and the student becomes ineligible for further Federal financial aid until the debt is repaid.

Should the Return of Federal Funds calculation show a repayment due, any refund due the student from the institutional refund calculation will be applied toward the student's unearned Federal Pell Grant before any funds are disbursed to the student. Should the school's return of Federal funds result in a balance due the school, the student will be billed.

For example: A student attends 50% of their payment period. The institutional charges for the period of enrollment are \$1500, and the Federal Pell Grant disbursement was \$2000. The unearned Federal Pell Grant is 50% of \$2000, or \$1000. The institutional share of the unearned Federal Pell is 50% of \$1500, or \$750. The student's share of the unearned Federal Pell Grant would be \$1000-\$750, or \$250 – but as this is less than 50% of the amount disbursed, the student has no overpayment. The student would be billed by the school for the \$750 of institutional charges due to the school as a result of the returned funds by the school unless the student had other aid to cover the returned funds.

STANDARDS OF SATISFACTORY ACADEMIC PROGRESS

July 2011 Revision

In order to maintain satisfactory academic progress at Garnet Career Center a student must:

1. Maintain a "C" average or higher; PN 80% or higher.
2. Complete their course of study within 150% of the originally scheduled course length in weeks.

Each student's progress will be reviewed at the midpoint of his/her enrollment period.

Students who receive Title IV Federal Student Aid will have their progress reviewed by the Financial Aid Officer prior to each Title IV aid disbursement to insure the student is adhering to their course requirements pertaining to satisfactory academic progress.

Satisfactory Academic Progress Policy for Veterans:

The US Department of Veterans Affairs (VA) offers Financial Aid in the form of education benefits to qualifying students who are veterans of the Armed Services.

Students who receive US Department of Veteran Affairs financial aid/education benefits will have their progress reviewed by the Adult Education Counselor on a monthly basis as determined by The Department of Veteran's Affairs (VA) to insure the student is adhering to their course requirements and Garnet Career Center policy pertaining to satisfactory academic progress. Students who do not adhere to the Satisfactory Academic Progress requirements for the program in which they are enrolled and /or Garnet Career Center policy will be placed on Financial Aid Warning and their certification to VA terminated if they do not meet the conditions of the warning.

If a student fails to maintain academic progress, he/she will be placed on Financial Aid Warning, with the warning period not to exceed one progress review period. (The exception to this policy may be for the LPN program, where certain class failure may result in the student's dismissal due to WV State Nursing Board regulations.) A warning form will be completed, outlining the student's deficiencies and warning completion criteria. This form will be signed by the student and a member of the school's faculty or administration.

Students on warning status shall be deemed to be maintaining satisfactory academic progress and shall be eligible for financial aid during the warning period, but they generally **shall not receive any financial aid refunds** until the terms of their warning have been met. Students who fail to meet the terms of their warning shall be terminated from their course of study per each department's policies.

Termination Review: Students may appeal a termination determination resulting from failure to meet the warning criteria set forth to remedy their satisfactory progress deficiencies by submitting a written request to the School Director. The written request for review must outline the student's reasons for appealing the termination or provide evidence that the warning criteria were met. The School Director will, after reviewing the student's records and consulting with appropriate faculty, make a final and binding determination, and notify the student in writing of said determination.

Students who are required to repeat courses within their program of study may do so. Should the student require additional time to repeat any segment of their course, additional tuition will be assessed. Any incomplete course work will have a negative impact upon the student's average, and may also cause the student to be placed on warning. Students should note that failed courses will result in delay of Aid disbursement, as regulations require successful completion of hours.

Some students are required, as a condition of enrollment, to attend non-credit remedial courses. While the student's progress in such courses is monitored by the institution, the student's non-credit remedial work has no impact upon the student's maintenance of satisfactory academic progress.

A student may withdraw from school either temporarily or permanently:

- Such periods of non-enrollment are not counted toward the student’s maximum time frame for completing course requirements (150% of the original course length).
- A student shall not be re-admitted after (3) attempts to complete their program.
- A student may be re-admitted so long as they were maintaining satisfactory academic progress at the time of their withdrawal.
- Upon re-enrollment, the student may be granted credit for present time for completed course work for which the student had earned a “C” grade or better.

A student who was dismissed from school because of their failure to maintain satisfactory academic progress or for infraction of school policies, may be re-admitted at the discretion of the School Director. Such students will generally be re-admitted on a probationary status, the terms of which will be defined prior to class start on an individualized probation form.

DRUG/ALCOHOL POLICY FOR GARNET CAREER CENTER

It is a violation of the policy of Kanawha County Schools and of the Garnet Career Center for any person to use, distribute, possess or be under the influence of any alcoholic beverage, controlled substance, or any substance represented as a controlled substance. All applicable state and federal regulations governing any financial aid program will be strictly followed.

Note: Students with substance abuse or alcohol abuse problems may voluntarily approach an administrator, counselor or teacher for help without fear of penalty, provided the student is not then in violation of the policy.

SMOKING POLICY FOR KANAWHA COUNTY SCHOOLS

The Kanawha County Board of Education has an established policy regarding the use of all types of tobacco products, including smokeless tobacco, e-cigs, vapes, or jules. The parts of the policy that affect adult students at the Garnet Career Center are as follows:

TITLE IX STUDENT GRIEVANCE PROCEDURE

Section I - Purpose

The purpose of this procedure is to provide a way for students to reach solutions to problems of alleged sex discrimination.

Good morale is maintained, effective scholastic performance is enhanced, and the students of the school are better served when sincere efforts of principal and students are exerted toward constructive solutions to problems that may arise. It is the intent of this procedure to provide in a simple, straight-forward, and easily understood way, for the solution of problems at the lowest possible administrative level, as fairly and as expeditiously as possible.

Section II — **Definitions**

- (a) Grievance - Grievance shall mean a claim by a student of a violation, a misapplication, a disagreement, or a misinterpretation of Title IX Rules and Regulations, specifying that which is claimed to be violated and the specifics of such violation. The term "grievance" shall not apply to any matter for which (1) the method of review is prescribed by law, or (2) the Title IX Committee is without authorization to act.
- (b) Student - Student shall mean any person enrolled in the public schools of Kanawha County, i.e., elementary, secondary, career and technical, adult education and community education.
- (c) Days - "Days" shall refer to consecutive days of the week excluding Saturdays, Sundays, and holidays.
- (d) Parties in Interest - Any persons involved in the processing of the grievance.
- (e) Representative - Any person authorized by the grievant to advise or speak for the grievant.

Section III **Procedure**

Since it is important that a grievance be processed as rapidly as possible, the number of days indicated at each level shall be considered as a maximum and every effort should be made to expedite the process. The time limit specified may, however, be extended by mutual agreement of the grievant and the principal.

If a grievance is filed which might not be finally resolved under the time limits set forth herein prior to the end of the school year, and which if left unresolved until the beginning of the following school year, could result in irreparable harm to the grievant, the time limit set forth herein will be reduced to the extent possible so that the grievance procedure may be concluded prior to the end of the school year, or as soon thereafter as is practicable.

In the process stated below, a student may have the assistance of a fellow student or one other chosen representative (except at the initial informal discussion) in the preparation and presentation of the grievance. Such person may be present, but only if the grievant so requests.

No reprisals of any kind shall be taken by the principal or by any member of the administration against any grievant, any representative, or any other participant in the grievance procedure by reason of such participation.

All decisions rendered at all levels of the Grievance Procedure shall be in writing, setting forth the decision and the reasons therefore, and shall be transmitted promptly to all parties in interest.

Forms for filing grievances, taking appeals, and any other necessary documents shall be made available to all students upon request so as to facilitate operations of the grievance procedure.

All meetings and hearings under this procedure shall be conducted in private and shall include only such parties in interest and their designated or selected representative heretofore referred to in this article.

A grievance shall be processed in a manner which does not interfere with the student's scheduled classes or school related activities.

In no case may a grievance be altered in content or wording once it is filed. Anything different from the original grievance would be a different case and can be accepted only as a different grievance.

All written records of grievance proceedings shall be maintained in locked file under the custody of the principal and shall not appear in the student's school file. These records may be inspected by the grievant or the grievant's designated representative.

INFORMAL DISCUSSION

Student discusses alleged violation with principal.

LEVEL ONE

If a grievance is not resolved informally, a formal grievance must be lodged by the student with the school principal, in writing, on the prescribed form and signed by the student. Such grievance shall be so lodged within five days of the occurrence of the event upon which it is based. Any discussion with the principal concerning the grievance shall be: by the student or by the student accompanied by a parent/guardian or member of the school faculty or student body.

Within five days after the grievance is lodged, unless extended by mutual agreement of the principal and the grievant, the principal shall state a decision in writing to the appropriate parties.

LEVEL TWO

Within five days of receiving the decision of the principal at Level One, the student may appeal his/her decision to the Title IX Committee, Kanawha County Schools, in writing on the prescribed form and signed by the grievant. The Title IX Committee must:

Review all written decisions and transcripts of previous meetings, conduct an on-site investigation of the grievance, and issue a written decision within ten days to all parties.

The time limit specified may, however, be extended by mutual agreement of the grievant and the Title IX Committee

LEVEL THREE

Within five days of receiving the decision of the Title IX Committee, the grievant may appeal the decision on the prescribed form to the Kanawha County Board of Education (in writing and signed by the grievant) through the Superintendent of Schools who shall present the grievance to the Kanawha County Board of Education at least five days prior to the next regular meeting. The Kanawha County Board of Education within forty-five (45) days shall: review all written decisions and transcripts of previous meetings and issue a decision to all parties or conduct a hearing itself with all persons involved at Level Two and issue a decision within ten days of such hearing.

The time limit specified may, however, be extended by mutual agreement of the Kanawha County Board of Education and the grievant.

Such decision by the Board of Education shall be final; however, appeals to the State Superintendent of Schools, under certain provisions of Chapter 18 and 18A may be appropriate, and proper redress may be sought through the courts, should the student so choose. Grievance forms as listed below are available in the following locations:

-the office of the principal or guidance counselor of any Kanawha County elementary or secondary school, or career and technical center

-the administrative office of any community education or adult education center

-the office of the Title IX Committee Chairperson, Kanawha County Schools, 200 Elizabeth Street, Charleston, WV 25311.

If a student is in need of any forms, inquiry should be made at any of the above listed places, and the student shall follow the directions as outlined in the procedure explicitly.

RE: Asbestos Management Plan

Kanawha County School system is committed to maintaining a safe and healthful learning environment for all students in our schools. Recently certain materials, known as "asbestos", which may pose a health problem, have been identified in our schools.

Kanawha County Schools, in keeping with our commitment to provide a safe school environment, is identifying all asbestos in our schools in compliance with the Asbestos Hazard Emergency Response Act. This information has been placed in the school's Asbestos Management Plan and may be reviewed in each school.

In recent years Kanawha County Schools has removed friable asbestos-containing material from several schools. Some asbestos-containing material will be rendered non-friable by the use of encapsulating materials or simple repairs. The response action section of this plan addresses this type of correction work. Efforts will be continued as needed to provide safe environment for all students, staff and public. These efforts will include the following:

Six month periodic surveillance
Three year re-inspection
Emergency repairs as required

Kanawha County School's plan for asbestos control is on record with the United State Environmental Protection Agency and with the West Virginia Department of Education.

KANAWHA COUNTY SCHOOLS ADMINISTRATIVE REGULATION

STUDENT TELECOMMUNICATIONS NETWORK ACCESS

Series: J33A

Reference: State Board Policy 2460

Issued: 07.24.1995

REVISED 07.01.2004; 07.01.2007; 06.21.1012; 09.20.2018

REVISIONS NUMBER: 4

33.01 General. Telecommunications network access provides potential opportunities for educational benefit. However, the District has no reasonable means to control the content of communication or information disseminated on the Internet or other on-line services. Moreover, the District lacks the ability to monitor the dissemination of communication by students. Because pornography, defamatory or inaccurate information, or information that is offensive may be accessed through the Internet or other on-line services, and because unlawful or inappropriate student communication may serve as a basis for criminal and/or civil liability, it is necessary that parents or other responsible adults provide informed consent to student access to telecommunication networks.

33.02 School Control. The principal of each school that affords students telecommunication network access shall cause accurate records to be maintained that include: a consent and waiver form signed by a parent or other responsible adult for each student who is afforded telecommunication access; all relevant passwords, codes, account numbers, etc. provided to such students in connection with telecommunication access; and, the initiation and termination dates of individual student telecommunication access.

33.03 Termination of Access. The principal of each school that affords student telecommunication access shall cause the termination of individual student access if a student graduates, transfers from the school, drops out of school, or violates the consent or waiver described in Section 33.04. The principal shall cause a monthly review of the students who are afforded telecommunication access to insure that all appropriate terminations of student access have occurred.

33.04 Parental Consent and Waiver. Prior to affording individual student telecommunication access the Consent and Waiver form attached hereto as "Appendix A" must be signed by the student, sponsoring teacher, and parent[s] or guardian[s].

APPENDIX A
KANAWHA COUNTY SCHOOLS
TELECOMMUNICATIONS ACCESS CONSENT AND WAIVER

Kanawha County Schools believes that the benefits to educators and students from access to the Internet and other on-line services, in the form of information resources and opportunities for collaboration, far exceed any disadvantages of access. But, ultimately, the parent(s) and guardian(s) of students are responsible for setting and conveying the standards that the students should follow. To that end, Kanawha County Schools supports and respects each family's right to decide whether or not to apply for access.

Kanawha County Schools cannot control the information on the Internet. Sites accessible via the Internet may provide information that contains pornography, is illegal, defamatory, inaccurate or potentially offensive to some people. While the District's intent is to make Internet and other telecommunications resources available to further its educational goals and objectives, parents should be aware that student account holders will have the ability to access unacceptable materials if they disregard the school's and District's access limitations stated below.

The student and his/her parent(s) or guardian(s) must understand that student access to the School District Network is being developed to support the District's educational responsibilities and mission. The specific conditions and services being offered will change from time to time. In addition, Kanawha County Schools makes no warranties with respect to network service, and it specifically assumes no responsibilities for:

1. The content of any advice or information received by a student from a source outside the District, or any costs or charges incurred as a result of seeing or accepting such advice;
2. Any costs, liability or damages caused by the way the student chooses to use his/her network access;
3. Any consequences of service interruptions or changes, even if these disruptions arise from circumstances under the control of the District;
4. The privacy of electronic mail, which cannot be guaranteed.

Any questions should be directed to the Director of Technology, at the District office 304-348-6116.
